Venmo to <https://venmo.com/u/KenHaggett> or 802-730-2746

PayPal to phase3glassworks@gmail.com

Details:

All materials required to complete your stained-glass project are included in the price of the class.

If you would like to bring a snack and a beverage, feel free to do so.

Do not be alarmed if you hear howling when you arrive! We currently have 13 retired sled dogs and they will sing when you come up our driveway.

Due to the 9 dogs in the house rest room options are limited to our outhouse.

Please wear closed toe shoes for your safety. I provide work aprons, work gloves, and safety glasses for each participant.

Since we are working with sharp glass and hot soldering irons there is a possibility of being cut or burned if you are not careful. Phase 3 Glassworks is not liable for any injuries caused by mishandling of materials used in the class.

Location: 239 Cross Road, Lake Elmore, VT 05657. This is **NOT** in Wolcott. Be sure to take Lacasse Road from Rt.12 to access Cross Road. The other end of Cross Road from Rt.12 is not passable.

If you Google Phase 3 Glassworks we show up on Google Maps.
